BY THE COMMISSION:

By application filed, June 4, 2001, Single Billing Services, Inc., dba Asian American Association (SBS) of El Monte, California, and EAAA, Inc. (EAAA) of South Pasadena, California, are jointly seeking authority to transfer control. Notice of this application was published in The Daily Record, Omaha, Nebraska, on June 6, 2001. No protests were filed; therefore, this application is processed pursuant to the Commission's Rule of Modified Procedure.

O P I N I O N A N D F I N D I N G S

On November 4, 1999, SBS was authorized to transact the business of a reseller of interexchange telecommunications services in Nebraska (see Application No. C-2122).

SBS currently seeks approval of a transaction whereby SBS will transfer control from its current shareholder, New Global Telecom Inc. (NTG), to EAAA through the sale of SBS stock. The acquisition of control of SBS by EAAA will not affect the operations of SBS as SBS will continue to operate as it has in the past, using the same name, tariff and operating authority. EAAA intends to retain all key SBS personnel, including certain senior management personnel. Thus, the transfer of ownership or control will be transparent and have no adverse impact upon SBS customers.

Upon review of the evidence, the Commission finds the application to be fair and reasonable and in the public interest. The application should be granted.

O R D E R

IT IS THEREFORE ORDERED by the Nebraska Public Service Commission that Application No. C-2542 be, and it is hereby, granted.
